All prices indicated are net list prices plus applicable taxes and duties. We reserve the right to amend or modify the price list at any time. The services will be invoiced to the originating cost centers per billing unit or part thereof. Per-month price indications are projected in all instances based on a hypothetical subscription period of 720 hours (30-day month). This price list shall not be construed as a legally binding offer on the part of Schwarz IT KG. Any individual agreement entered into is subject exclusively to the terms agreed by the Customer and Schwarz IT KG and the prices for the relevant service applicable as of the date on which the individual agreement is entered into.

All prices indicated are net list prices plus applicable taxes and duties. We reserve the right to amend or modify the price list at any time. The services will be invoiced to the originating cost centers per billing unit or part thereof. Per-month price indications are projected in all instances based on a hypothetical subscription period of 720 hours (30-day month). This price list shall not be construed as a legally binding offer on the part of STACKIT GmbH & Co. KG. Any individual agreement entered into is subject exclusively to the terms agreed by the Customer and STACKIT GmbH & Co. KG and the prices for the relevant service applicable as of the date on which the individual agreement is entered into.
